8.15.	Preparation of covered wagon (sealing holes and lining up with carboard)	115,00	Per covered wagon

¹⁴ Container loading and unloading on/off the Company's vehicle and/or the railway platform is not included in the service rate. When booking the service of container loading on/off the Company's vehicle and/or the railway platform, the Customer pays for it acc. to the rates in line 6.1.

¹⁵ The service rate includes the use of railway wagons (platforms) during loading and shunting and during the clearance of documents required for the transportation of containers by rail (6 hours for the railway wagon group). If clearance of documents takes more than 6 hours Company reserves right to apply additional charges.

¹⁶ Lifting on/off of the Container on/from the Company's vehicle is included in the service fee.

¹⁷ The Service fee includes the loading and unloading of the container on/from the company's vehicle, as well as the delivery of the container to the weighing scales and returning it to the storage facility when the customer submits an application for weighing the container in the stack.

¹⁸ The rate applies when the weighing service is ordered before the arrival of the container at the terminal. When the container weighing service is booked when the container is already in the terminal, the rate specified in clause 8.3 shall apply.

¹⁹ Container lifting is not included.

²⁰ For highly contaminated containers requiring special cleaning chemicals (e.g. sorbent) or extra time for cleaning, the washing fee is charged additionally.

²¹ Loading is performed only upon receipt of the customer's confirmation of payment for loading/unloading a specific container on/from the arrival of a non-specialized vehicle.

Remarks:

1. Rates are VAT exclusive.
2. CFS rates are valid from **July 1, 2022** and remain in effect till **December 31, 2022**.
